These times tables booklets are an ideal resource to keep your pupils interested and consist of:

- Clear step-by-step introduction to the multiplication tables
- Varied tasks and strategies for learning the tables
- Activities requiring the application of tables to knowledge, including the link with division
- Methods of practice required for the teaching and learning of the tables
- Activities which are linked to the NNS strategy
- Many ideas for homework and classwork

In the relevant space below, please state the amount of books required.
